

April 7, 1975

Dear Fellow Runner,

I want to take the opportunity to say thanks for coming to our Half Marathon.

It was a good turn out and except for the complication at the finish most everyone had a good race. Some people said they liked the staggered start, others said it was a mistake. So next year there will probably be a mass start.

There were some very good times and everyone is to be congratulated for their performance.

Our plans now call for next year's race to be held the first Sunday in March, which is March 7, 1976. See you then and bring a friend!

Best of luck in your running,

Walt
